ORDER:

In the reference 1st read above Government have accorded permission for drawl of 2 MLD of water or 0.82 cusecs (approx) from Coringa Island Project (C.I.P) canal in Tallarevu (M) to M/s Gujarat State Petroleum Corporation Ltd., with certain terms and conditions.

2. In the reference 2nd read above, the Engineer-in-Chief (Irr) has stated that the firm M/s. Gujarat State Petroleum Corporation Ltd., have put in a representation requesting for permission to draw 15 MLD i.e 5.50 Million Cum of water from upstream side of S.A.C. Barrage, Dowlaiswaram i.e River Godavari between 1st July to 15 December in favour of M/s. Gujarat State Petroleum Corporation Ltd.,.

3. In the reference 5th read above, the Engineer-in-Chief (Irr) has requested the Government for considering the proposals for according permission to M/s. Gujarat State Petroleum Corporation Ltd., to draw 15 MLD i.e **5.50 Million Cum per annum** of water from the upstream side of S.A.C. Barrage, Dowlaiswaram i.e River Godavari between 1st July to 15 December River Godavari with certain conditions.

4. In the circumstances reported by the Engineer-in-Chief (Irr) Hyderabad, the Government after careful examination hereby accord permission for drawl of 15 MLD i.e **5.50 Million Cum** per annum of water between 1st July to 15th December every year from Surplus water to be drawn from Upstream side of S.A.C. Barrage i.e River Godavari in favour of M/s. Gujarat State Petroleum Corporation Ltd., for a period of 10 years with the following conditions.

1. The annual requirement of water can be spared from surplus water available in the upstream side of S.A.C Barrage i.e River Godavari during 1st July to 15th December only. No drawl shall be permitted between 16th December to 30th June.

2. The water drawn from the River Godavari should be utilized for the purpose for which permission is granted. Any misuse in this regard will entail cancellation of the permission without any notice and liable for imposition of penalty.
3. The entire cost of infrastructure to draw water shall be borne by the industry only.
4. Water meters or suitable measuring devices should be installed by the industry at their own cost to measure the water consumed and water measuring devices should be kept under the control of Irrigation & CAD to the Department and the representatives of the user shall be present at all times for taking readings.
5. The Industry should pay water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water rate/royalty the permission to draw water shall stand cancelled.
6. No field bund or pipe line shall be taken through or along with Government land without approval of Government and if permission is accorded by the Government the lease of Government land should be paid as fixed by Government only.
7. The Industry should obtain the prior concurrence of concerned Departments for laying pipe line and for crossings etc.
8. The Industry should make their own arrangements for supplementation of water in their premises only.
9. The Industry should make their own arrangements to dispose the treated effluents as per norms of Andhra Pradesh Pollution Control Board in their premises only and should obtain prior permission if any needed from Government to dispose treated effluents in the natural resources.
10. The Irrigation & CAD Department reserves the right for cancellation of the permission without assigning any reasons thereof.
11. The Irrigation & CAD Department is in no way responsible for non-supply/Non availability of water due to any reasons in any particular water year.
12. This Industry must strengthen the river margin 100 Mts. On either side of the proposed off take point to avoid slips, erosion of banks and to protect existing margins as directed by the Department.
13. The Industry should lay the pipeline duly leaving not less than 1.00 Mts. from the toe of the flood bank.
14. The Industry has to construct CC walls to avoid leakages at pipeline crossings.
15. The Industry should follow the Revenue Board Standing orders (B.S.O).
16. The Industry should pay Security deposit at 2.5% on 10 years water charges for which permission is granted.

17. The permission accorded shall be for a period of 10 years only. The permission shall have to be renewed well in advance before the expiry of the permission.
 18. The Industry shall pay one year water charges as advance and amounts due to the Department before entering into agreement.
 19. The Industry should make its own arrangements creating storage facilities for the requirement of water for the period from 16th December to 30th June in their premises only.
 20. The present rate of royalty charges as per the G.O.Ms.NO.39, Irrigation & CAD Department, dated: 02.04.2002 is Rs.4.50 is per 1000 gallons for consumptive use as the water is drawn from Irrigation Infrastructure (G.E Delta Approach Channel) i.e U/s S.A.C. Barrage. The water royalty charges are likely to be revised by the Government from time to time and the industry shall pay the revised rates as fixed by the Government from time to time.
 21. The firm has to pay the water charges for the permitted quantity in advance at the start of the Finance Year (i.e) before 10th April every year as per BSO.
 22. The consumptive utilization of 5.50 Million Cum of water per annum as required should not be exceed under any circumstances.
 23. A detailed plan showing the location, the intake arrangements, details of pump house conveyance system etc., shall be furnished to the Department.
 24. The Industry shall abide any other conditions laid down by the Government/Department from time to time.
 25. The permission does not confirm any riparian right to the industry.
 26. Non adherence of the any of the conditions by the Industry entails cancellation of the permission.
5. The Engineer-in-Chief (Irr) Hyderabad shall take necessary action accordingly.
